## **Michigan Students Selected for United States Senate Youth Program** ***Students to Participate in Online Program and to Receive \$10,000 Scholarship***

**January 11, 2022, Washington, D.C.** —The United States Senate Youth Program (USSYP) announces that high school students Ms. Sarayu Sitha Bethamcherla and Ms. Jayanti Gupta will join Senator Debbie Stabenow and Senator Gary Peters in representing Michigan during the 60th annual USSYP Washington Week, to be held March 6 — 9, 2022. Sarayu Bethamcherla of Troy and Jayanti Gupta, also of Troy, were selected from among the state's top student leaders to be part of the 104 national student delegation who will each also receive a \$10,000 college scholarship for undergraduate study. Due to the ongoing pandemic, the 2022 program will be held online, through a comprehensive and highly interactive virtual education and leadership forum.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the Senate leadership of the day, the impetus for the program as stated in Senate testimony is "to increase young Americans' understanding of the interrelationships of the three branches of government, learn the caliber and responsibilities of federally elected and appointed officials, and emphasize the vital importance of democratic decision making not only for America but for people around the world.

Each year this extremely competitive merit-based program provides the most outstanding high school students - two from each state, the District of Columbia and the Department of Defense Education Activity - with an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each student with a \$10,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. All expenses for Washington Week are also provided by The Hearst Foundations; as stipulated in S.Res.324, no government funds are utilized.

Sarayu Bethamcherla, a senior at Troy High School, serves as vice president of the Student Body. She holds the highest student leadership position in the state as the Michigan Association of Student Councils and Honors Societies Student Board of Delegates president. Through facilitating regional and statewide conferences, she aids leaders in realizing and acting on their passion for the community. Additionally, she works for the National Equity Project and serves as a youth leader for her district's Equity Board where she established a platform for students to voice concerns about educational inequity. Sarayu is a Board of Education student representative, an advisor on the Superintendent's Student Advisory Board for Troy, and the DECA chapter co-president, a youth organization focused on entrepreneurship. She also advocates for gun violence prevention on the March For Our Lives state team. The lasting impact of service and centering youth vision is what inspires her to pursue a career in human rights law and eventually, public office.
