20. Michigan Students Honored at National History Day

Michigan History Day, a project-based learning program of the Historical Society of Michigan, is a yearlong educational program that encourages students to explore local, state, national, and world history. Also known as National History Day in Michigan, winners of the state level competition move on to compete in National History Day. After selecting a historical topic that relates to the annual theme, students conduct extensive research. They analyze and interpret their findings, draw conclusions about their topics' significance in history, and create final projects. Check out the 2022 Michigan students honored at National History Day on the HSM attachment.

Here is a July holiday to note:

July 9 | Eid al-Adha Festival of Sacrifice

This Islamic holiday commemorates the willingness of the Prophet Ibrahim to sacrifice his son to Allah, showing his commitment and dedication. An important religious holiday celebrated by Muslims worldwide, it is also known as the Festival of Sacrifice. In the United States and around the world, many Muslims celebrate with prayers and social gatherings. Traditionally, the holiday included livestock being sacrificed and divided into three portions: one for your family, one for friends and one to give to those in need. To celebrate at home, consider giving food or other items to those in need. Visit [MuslimAid.org](https://www.MuslimAid.org) for more ideas.
